INVITATION

Dear all

To commemorate the establishment of the Nepal Engineers Association (NEA) 49 years ago, the Event Management Committee (EMC) of NEA-JC 6th Executive Committee is celebrating the "NEA Day" by organizing a one-day symposium on "*Utilization of Lessons Learnt from the Study of Japanese Technologies for the Development of Nepal*" in Tokyo and Kyoto on 17 July, 2011 (Sunday). Nepalese (and non-Nepalese) academics, researchers, experts and students from various engineering, natural science and social science disciplines are cordially invited to participate in the program.

For detail information:

Nepal Engineers' Day 2011

Nepal Engineers' Association Japan Center (NEA-JC) Symposium
**"Utilizing Lessons Learnt from the Study of Japanese Technologies
for the Development of Nepal"**

The University of Tokyo Komaba Campus, 17 July 2011, Tokyo
