

NEAJ Webinar on 17 Jan, 2021

The NEAJ Webinar organized by the civil engineering cluster, a structural group is successfully completed.

PROGRAM

Topic: Structural Analysis and Design: Sharing Professional Experience and Academic Research Work

Co-ordinator: Dr. Kabir Shakya

Technical Support: NEAJ Excom

15:00 ~ 15:15

Niraj Malla Thakuri:

Simplified Method for Economic Loss Estimation of Moment-Resisting Frame System

15:15 ~ 15:30

Binod Kumar Shrestha:

Post-Tensioned Hybrid Precast Concrete Wall Bearing on Shallow Foundation

15:30 ~ 15:45

Naresh Subedi:

Steel-Encased Concrete Piles in Japan: Practice and Design

15:45 ~ 16:00

Shirish Hachhethu:

Study on Flexural Behavior at Pile-Pile Cap Interface

16:00 ~ 16:15

Dr. Satish Bhagat:

Planning for Railway Projects for Consulting Works

16:15 ~ 16:30

Dr. Kabir Shakya:

An Introduction to Module and Its Analysis and Design

16:30 ~ Virtual Nomikai
